

2026 MINNESOTA VIKINGS

GAME DAY ACCREDITATION INFORMATION

The Minnesota Vikings communications department is now accepting credential requests from accredited media organizations wishing to cover the 2026 season or individual home games at U.S. Bank Stadium. The following application is provided to allow accredited sports media organizations who cover the National Football League on a regular basis to submit credential requests. All credential requests are considered on a case-by-case basis and subject to the discretion of the Vikings communications department. Accreditation is strictly reserved for members of the press who represent a credible media outlet. The Vikings do not credential freelance media members who are not on specific assignment from a recognized news organization or sports publication. The team also does not issue credentials to personal, non-commercial websites, blogs, or podcasts. Please direct any additional questions to credentials@vikings.nfl.net.
