FACILITY AND OPERATIONS SERVICES

Prices are subject to change without notice. Labor is included in the rates below. Order and payment must be submitted by Monday, January 29th, 2024, for standard rate to apply. Note that all payments will be accompanied by a 3% service charge.

Operations Services at U.S. Bank Stadium

U.S. Bank Stadium offers the following facility services in select areas of the stadium:

One Time Water Fill and Drain 0-100 gallons.....Event \$813.80 per service x _____ = \$ _____
Additional Gallons above 100 gallons (price per gallon).....Event \$1.01 per gallon x _____ = \$ _____

Every effort will be made to accommodate event-day requests, but we cannot guarantee availability of all same-day services.

1. All water filling and draining services will be completed by U.S. Bank Stadium personnel only. Water connection services will not be provided to exhibitors, no live water lines are allowed to be used on the floor of exhibitor booths or in aisleways.
2. Stadium provided water is to be used for display purposes only and cannot be consumed.
3. Any infrastructure or installation that causes an obstruction or hazard will be identified and must be removed. All charges will be applied, and no refunds will be processed. Additional charges may apply to diagnose the problem and find a resolution.
4. U.S. Bank Stadium has the right to refuse service to any exhibitor who does not have proper permits. Service can also be refused for any installation that does not meet building code, OSH regulations, or does not comply with U.S. Bank Stadium's Exhibitor Rules and Guidelines.
5. Any damage to U.S. Bank Stadium and its assets is the financial responsibility of the exhibitor.
